

2019 LCBA Beekeeping Rental Equipment Guidelines

- The refractometer will rent for \$2 each 24 hour period. Cleaning instructions will be given to each renter
- The large extractor which holds 6 medium or shallow frames will rent for \$15 each 24 hour period
- The small extractor which holds 2 deep, medium, or shallow frames will rent for \$5 each 24 hour period
- Extractors are to be returned clean using only water to clean them (NO SOAP). Failure to return items in a clean condition will result in the loss of rental privilege
- Only LCBA members will be allowed rent equipment
- No deposit is necessary since all members are known
- Payment is due when equipment is signed for and taken out. If equipment is needed for a longer period of time than that agreed upon, you will need to call 679-6361 to make arrangements for an extension as other members may be standing in line for the equipment
- A check-out calendar, rental agreements, and receipt book will be maintained by PC County Extension Office.

All rental equipment will be stored at the PC Extension Service Office Demonstration House. All equipment must be reserved and picked up at a given time. PC Extension Service Office, 28 Parkway Drive, Somerset, KY 42503 606-679-6361. Revised (8/22/2019)
